## President's Message

~ By Randy Scott ~ [rscott@antelecom.net](mailto:rscott@antelecom.net)

Greetings to all our members! As the temperatures are changing (although in our part of the desert in California, it was over 80 degrees today in early November!), I imagine many of you who are snowbirds have moved, or are in the process of moving, to your warmer climates! I also hope that there are very few (if any) of you who may have been caught in the recent major Hurricane Sandy (or any other major adverse weather patterns). Of course, that is a primary advantage of having motorhomes such as ours - usually being able to move away from major bad weather, and/or having an emergency place to stay, generate power, cook, have a source of water, etc.

I hope all of you have spent enough time considering what your options are and exercising them, based on the changes we notified you about in our recent "special edition" newsletter (and you should also have received word from FMCA) regarding the changes in the FMCAssist program. It is always good to have some form of assurance that you will have some type of assistance when you are traveling - whether it be travel insurance, emergency repair, etc. - as it applies to your situation. We decided to avail ourselves of the optional cost FMCAssist, but that is entirely up to each individual owner(s) to decide.

Terry and I have been traveling lately, but primarily shorter and more local trips: several

times to Pomona, CA to attend the Los Angeles County Fair, the annual RV show, and to the NHRA drag race finals. Each time we have stayed in the nearby Eastshore RV park - it is a very nice park, very close to the LA County fairgrounds, yet around a lake and seemingly "out in the country." We are not trying to advertise the park, but mainly wanted you to know that if you visit Southern California for one of the many events taking place at the LA county fairgrounds, there is a great place to stay nearby. Our Alfa motorhomes are still very popular among current

and new owners - I guess maybe I don't have to tell you that!? My name apparently comes up frequently when new owners do an internet search (I guess due to my being chapter president), and I get a number of calls and emails from new owners, inquiring about where to get parts, service work, and information. Naturally, I give them info on our chapter, contacts and service organizations, etc. We are getting new chapter members almost every month, although we do lose some - primarily due to them no longer owning their Alfas. We still have close to 500 members in our chapter, although this does represent only about 10% of the number of Alfa motorhomes produced. Naturally, we encourage all of you to recruit new members into our chapter, whenever you meet an Alfa motorhome owner!

We are looking forward to a number of great events coming up in the year 2013 (so hard to believe this year is almost over - they always seem to go by faster each year!). We will be having our annual AlfaSeeYas Chapter pre-rally prior to the FMCA Western Area Rally in January (info and registration attached), the Alfa Owners Club (AOC) Annual Owners Rally in Casa Grande, AZ in April (**please note the change to the dates - now April 15-21** to accommodate additional vendors - more details further on in the newsletter), the FMCA annual family gathering in Gillette, Wyoming in June (with a possible associated AlfaSeeYas Chapter pre-rally), and our Chapter outing in Pennsylvania in September. As I've mentioned previously, if you have ideas (and especially if you'd like to volunteer to coordinate) for outings in between the Wyoming and Pennsylvania ones, or even after the Pennsylvania one, please let me know. We may have several members traveling to these, plus would like to involve and see our members who would be closer to these sites.

As mentioned in the recent special edition newsletter, we will have elections for Chapter officers in Jan 2013. Even though our current

officers agreed to serve another term (thank you so much!), I also asked for volunteers to run too. Having received none by the deadline of Oct 31, 2012, we will send out the ballots soon with the current officers listed as candidates for the next term. However, there will still be lines for write in candidates too. As before, we will finalize the election at our annual meeting in Jan 2013 at our pre-rally. I do thank the current officers for their hard work and dedication during this present 2-year term (especially since we were all new and had a lot to learn!). Even though they agreed to serve again, I imagine two terms will be sufficient, and encourage all of you to be thinking about who would like to run for the next terms (two years isn't that far off!).

I imagine many of you will be traveling, and/or have loved ones traveling for the upcoming holidays, and we hope everyone will do so safely! Terry and I wish you and yours a very Happy Holiday Season, and a Happy New Year!

~~Randy

## Editor's Note

By Jean Maddux

First, I am sure I speak for all the members of the AlfaSeeYas, our hearts and prayers go out to the people of the East Coast who have suffered in the hands of hurricane Sandy. We all hope you have not suffered too badly and that all of you are safe & warm and have electricity. Well winter is rapidly approaching and many of us will be heading to warmer climates. For those who are staying home, please stay safe, warm & comfy. For those of us who are traveling, the same goes for you, be safe, warm & comfy. Here in the Northwest, our rainy season has begun. After 90 days with no rain it was a welcome

sight. It has not been cold (until yesterday and today) but 'crisp'. We don't get the beautiful color change like they do in the Northeast, but it is pretty darn nice !!

As I said in the 'SPECIAL EDITION', we went on the FMCA Cruise thru the inside passage to Alaska. It was really nice, even when on our way to Juneau we could see BIG icebergs floating in the water. It kind of made me think about the Titanic !!

When we came back to Seattle, we headed up to Anacortes, WA and took the ferry to Vancouver Island. We have some Canadian friends that live about 2 hours from Sidney. The weather was beautiful. They also own some property in Salmon Beach which is five hours from their home. We went out on their boat and saw whales, sea lions and eagles. The only wild life we saw while on our cruise was a porcupine in a tree !!

We will be heading South about the middle of December and will be going to the pre-rally and the Indio FMCA Rally. Hope to see you there! If you have not met me before, please come and introduce yourselves. I like to know the people I send the newsletter to.

We are wishing all of you a wonderful Holiday Season. Happy Trails.

~~Jean

### VITAL FIRST AID FOR BURNS

A young man sprinkling his lawn and bushes with pesticides wanted to check the contents of the barrel to see how much pesticide remained in it. He raised the cover and lit his lighter; the vapors ignited and engulfed him. He jumped from his truck, screaming...

His neighbor came out of her house with a dozen eggs and a bowl yelling "Bring me some eggs!" She broke them, separating the whites from the yolks. A neighbor woman helped her to apply the whites onto the young man's face. When the ambulance arrived and the EMT's saw the young man, they asked who had done this. Everyone pointed to the lady in charge. They congratulated her and said "You have saved his face." By the end of the summer, the young man brought the lady a bouquet of roses to thank her. His face was like a baby's skin.

First Aid consists of first spraying cold water on the affected area until the heat is reduced which stops the continued burning of all layers of the skin.

Then, spread the egg whites onto the affected area. The whites dry and form a protective layer. Egg white is a natural collagen and if continued being applied layer upon layer of beaten egg white for at least one hour, the pain will soon cease. Within 10 days there should not be a trace left at all and the skin should regain its normal color. The burned area will totally regenerate thanks to the collagen in the egg whites, a placenta full of vitamins.

OK, has anyone tried this? If so, please write me and let me know. If you should burn yourself (hopefully a minor burn) try it and let me know the results. Thanks, Jean

And God promised men that good and obedient wives would  
Be found in all corners of the world.  
Then He made the earth round...  
and laughed and laughed and laughed....

Back in the August Edition of the AlfaSeeYa's newsletter there was a tip from one of our readers about Motorhome Bras and Tow Car Shields', well they are offering us a sweet deal:

Coastline Cover Company  
10096 Sixth Street Suite L  
Rancho Cucamonga, CA 91730  
Phone # (800)216-1664  
Web site: [www.CoastlineRVandOffRoad.com](http://www.CoastlineRVandOffRoad.com)

They are offering 10% discount to RV Club members on their Motor Home Bras and Tow Car Shields. When placing an order, mention the Winter 2012/13 Promotion. They are located very close to Alfateers in Fontana, CA. They do very good work, we know.

You just call them and give them the year, make and model of your tow vehicle and they will tell you if they have a pattern available to make the cover. They can have it to you in about one to two weeks.

# THIS IS WHAT HAPPENS

When you fart in a Smart Car

## Newfie Cough Syrup

A pharmacist walks into his store to find a guy leaning heavily against a wall.

He asks the Newfie clerk, "What's with that guy over there by the wall"?

The clerk responds, "Well, he came in here this morning to get something for his cough. I couldn't find the cough syrup, so I gave him an entire bottle of Laxative."

The pharmacist yells "You idiot, you can't treat a cough with a laxative"!

The Newfie clerk responds ..... "Of course you can! Look at him, he's afraid to cough"!

# AlfaSeeYas Indio Pre-Rally

January 4 to 8, 2013, Emerald Desert RV Resort

Prior to FMCA Western Region Rally

Come to The Desert and enjoy the January sunshine, with average temperatures at 72°. Visit old friends, and make new ones. Play a round of golf, or go shopping in downtown Palm Springs.. A new management team has taken over and a few things will be different this coming year. First, we will be in a different room for some of our meals and meetings. We will have three meals catered by the park. Welcome dinner will be a private Italian dinner in one of the clubhouses, with opening meeting following. Saturday’s dinner will be a Mexican Fiesta with margaritas and mariachi musicians in the main dining hall. Bring your sombreros and Mexican dress to this dinner. Monday’s dinner is going to be a “Smokin Hot Hoedown Dinner” in the main dining hall with country line dancing, and cowboy games. Bring your boots, hats and western wear for this country western party. In addition to these great

activities planned for the Pre-Rally, we will convoy as a group to the FMCA Rally at the Indio Fairgrounds, which allows us to camp together “on the grass” close to the activities, and continue socializing with Alfa friends, happy hours and all.. The Wagon Masters are Arnie and Emily Burr [a.burr@sbcglobal.net](mailto:a.burr@sbcglobal.net) and Co-Wagon Masters are Jack and Jane Stanley.
