

Come join your fellow AlfaSeeYas Chapter members, guests and non-members and enjoy sunny days at the Salton Sea! Soak in the mineral water from the area's healing hot springs! We will have a four-night Chapter Post-Rally at the Fountain of Youth Spa RV Resort in Niland, California, starting when the FMCA Western Area Rally at Indio ends on January 13th. **Note that you do not have to attend the Indio Rally in order to attend the post-rally.** The post-rally will end in time for those going to Quartzsite, Arizona to make it for the start of the Big Tent RV show.

Your Rally registration includes a catered welcome dinner on arrival night, several mornings of coffee and pastries, evening social hours and an optional tour to the General Patton Museum at Chiriaco Summit. There will also be free time to enjoy park amenities and the many attractions in the Salton Sea area:

- General George S. Patton Museum, on the site of Camp Young, part of the Desert Training Center of World War II. This will be an optional outing by carpool – admission \$7, lunch on your own at the Chiriaco Summit restaurant. Exhibits include a large collection of tanks used in World War II and the Korean War, as well as memorabilia from Patton's life and career – especially in regard to his service at the Desert Training Center – and from soldiers who trained there. In addition, a film is shown, detailing Patton's military service and the creation of the Desert Training Center.
- Salvation Mountain - A giant man-made mountain in the middle of the Sonoran Desert, constructed from thousands of gallons of paint, hay bales, adobe, and a whole lot of love. Salvation Mountain is a must-see destination for anyone spending time in Southern California, especially those inclined to day-tripping adventures. Salvation Mountain is a one-of-a-kind experience. It's been described as a "national treasure" and "visionary" environmental art installation, and the story behind its creation is as inspiring as it is quirky.
- East Jesus - An experimental, sustainable, ever-changing educational art installation that embraces the varied voices of the thousands of contributing artists who have added to the installation in the past and will continue to do so in the future
- Other natural attractions unique to the area: Imperial Sand Dunes, Salton Sea Mud Volcanoes, Sonny Bono National Wildlife Reserve.

Guests, non-chapter members and towables are welcome!
